

Rossmoor residents — come visit Rossmoor Emergency Preparedness Organization’s annual Emergency Preparedness Fair (virtual this year) and learn how you and your household can get fully prepared for a disaster or emergency striking Rossmoor and beyond.

Mapped below in color are the various learning tracks and topics. And you can go from breakout room to breakout room at your leisure during our two-hour Fair on this coming Saturday (September 18) from 10 AM to Noon.

To register for EPO’s virtual 2021 Emergency Preparedness Fair use this tiny url: <https://tinyurl.com/EPO-Sept-18-EPF>. Register as soon as you receive this Nixle so EPO can gauge how many residents will be “attending” our Fair and plan appropriately.

We will be awarding great door prizes throughout the two-hour Fair and you do not have to be present to win. Registering ahead for the Fair ensures you a chance to win one of our prizes (preparedness supplies guaranteed to help you and your household in a disaster or emergency).

Registering early (before this coming Saturday, September 18) ensures EPO can email you a Resident Tip Sheet to help you navigate the many breakout rooms we have — staffed with hosts, co-hosts and timely topics to answer your many questions and challenges in your household emergency preparation efforts.

Rossmoor EPO looks forward to “seeing” you at our 2021 Emergency Preparedness Fair.

A "readier Rossmoor" is a "safer Rossmoor". A safer readier Rossmoor is a stronger and more resilient community!
