

SUGGESTED EVACUATION "GO BAG" SUPPLIES

(ONE PER PERSON)

CASH (small denominations and quarters) -- at least \$200 per person
Clothing, underwear, PJs and coat
External charger for phone (check periodically to make sure charge has not gone down)
First Aid Kit (small)
Flashlight & extra batteries
Food (nutrition/protein bars, etc.)
Glasses (extra pair)
Hand sanitizer
Hygiene items + wipes
Mask for smoke (N-95 respirator type) - a must if there is a wildfire
Medication (EvacPak) (for at least 7 days)
Notepad, pencil
Papers, important: (Suggested) - Fill a zip-lock bag with copies of birth certificate, medical power of attorney and will, insurance card, info about credit cards and ATM cards. **Or**, scan and put on a **flash drive**.
Phone numbers (important ones). Notify friends and family who your main contact person is so they can call them
Radio (crank/solar/battery) - tune to All-News KCBS 740 AM or 106.9 FM
Sanitary items (and incontinence products)
Shoes - sturdy + socks
Toiletries/grooming items
Toothbrush/toothpaste
Trash Bag
Watch (battery operated)
Water

Who is your main **contact person**? (Notify friends and family who this person is so they can call them instead of trying to find you).

GET AT LAST MINUTE - WHEN TOLD TO EVACUATE

Car keys - house keys
Cell Phone & charger
GO BAG (above)
Eye glasses
Laptop/iPad (if you can carry it)
Hearing Aids + Batteries
Oxygen tank (portable)
Pet(s) - Cage should be handy (Everything your pet would need for 7 days)
Purse/wallet

TIP: Keep a sturdy pair of shoes, crowbar and a flashlight near or under your bed in case of a sudden evacuation or emergency at night.
