HOW TO SIGN UP FOR CITY OF WALNUT CREEK'S EMERGENCY ALERT SYSTEM

"WCAlert" is Walnut Creek's official emergency alert system for city residents that alerts us in real-time to potentially dangerous emergencies and disasters striking Rossmoor and beyond — earthquakes, landslides, severe weather, flooding, drought and wildfires. WCAlert also provides us with instructions on how to remain safe and resilient following a major incident or event.

Part of our emergency preparedness includes opting into this crucial emergency alert system before a disaster or emergency strikes Tice Valley.

Sign up for local safety alerts from the City of Walnut Creek's Emergency Alert system called "WCAlert" by texting WCALERT to 888-777.

We recommend visiting the WCAlert website to verify your account information is current, customize how you receive messages and to sign up for notifications from outside your zip code.

For example, you can register to receive alerts also for where you have friends and family.

If you need assistance completing your WCAlert registration or do not own a smart phone, contact the Civic Park Community Center at 1 (925) 943-5852 Monday through Friday from 9:00 AM to 1:00 PM.

Visit the City of Walnut Creek Emergency Management Page for up to date information on emergency preparedness for you Rossmoor household.
