

In Case of a FIRE

Rossmoor Emergency Preparedness Organization (EPO)

Home

- Stove fire- smother with a lid or baking soda. DO NOT USE WATER
- GET OUT
- STAY OUT
- Call 911—911 will notify Securitas
- Fire extinguishers—only if you know how and can coordinate lift 10#
- Notify neighbors
- Stay together (keeps us out of the way of emergency personnel)
- Try to stay calm

Entry Area Fire

- Same as above
- COMMON SENSE about need to leave entry

Hills

- Stay in PLACE
- Fire department will instruct
- DO NOT leave Rossmoor—impedes emergency personnel
- DO NOT use fire roads
- Fire or police will give order to evacuate if necessary
- GRF has busses if needed

NOTE

- Likelihood of massive evacuation is unlikely
- There's been aggressive management of trees; firebrakes are wider than required
- Valley itself is a firebreak
