

ROSSMOOR'S HOME FIRE SAFETY SURVEY PROGRAM

Fire prevention and safety should be a particular concern for older adults and their loved ones.

Seniors 65 and older carry twice the risk of injury or death in a fire compared with the general population. These injuries and fatalities don't have to happen.

Use your smart phone and take a picture of the QR code to perform your own personal home fire safety survey or go to

<https://forms.gle/qfmoSDSdbTS429hP8>

To request a Home Fire Safety Survey or if you have questions, please call 925-941-3300 xt. 1591 or

Email: Noell.crosse@cccfd.org
